MDA is requesting public comment on the Draft EIS for the Long Range Discrimination Radar located at Clear Air Force Station in accordance with the National Environmental Policy Act. All written comments received during the public comment period will become part of the public record and will be considered during preparation of the Final EIS. Providing private address information with your comment is voluntary, and personal information will be kept confidential unless release is required by law. Failure to provide your email or address will result in your name not being included on our project update list, and you will not receive notifications about this project.
