

The Missile Defense Agency is Opening a Public Review Period for the Long Range Discrimination Radar Operations, Clear Air Force Station, Alaska Draft Environmental Impact Statement

The Missile Defense Agency (MDA), in cooperation with the Department of the Air Force and the Federal Aviation Administration, announces the availability of the Draft Environmental Impact Statement (EIS) for the Long Range Discrimination Radar Operations at Clear Air Force Station in Alaska. In light of federal and state guidance on public gatherings, the MDA is providing two opportunities for the public to receive additional information and to provide comments: an Online Open House and a Telephone Public Meeting. These meetings will be held in place of in-person meetings.

Online Open House

When: October 30 to December 21, 2020

Location: www.cleareis.com

The Online Open House allows a self-paced virtual tour through the Draft EIS summary materials. You will have an opportunity to submit comments through the Online Open House.

The Telephone Public Meeting provides attendees with the opportunity to meet MDA representatives and provide public comments.

Public comments on the Draft EIS are requested pursuant to the National Environmental Policy Act. All comments received during the comment period will become part of the public record and substantive comments will be considered during preparation of the Final EIS.

Public comments should be postmarked or received by December 21, 2020.

Telephone Public Meeting

When: December 2, 2020

Time: 4-6 p.m. AKST

Dial: 855-756-7520, Access Code 65743

For a downloadable copy of the Draft EIS, visit <https://www.mda.mil/system/lrdr>. A hardcopy is also available upon request. Comments can be submitted by using any of the following options:
